Dear Parents/Guardians:

Please allow this letter to serve as a reminder that when your child is home sick, it is crucial that he/she remains home until they have fully recovered. The school strongly encourages parents to keep their children home until they have been **without a fever for at least 24 hours**. Additionally, it is always a good idea to have your child checked by a physician when they are too ill to attend school.

As the well being of our students is our primary concern, we look forward to working together to ensure that we maintain a healthy school environment.

Sincerely,

Robert Epstein  
Principal
