

We are excited to announce our...

## Summer Book Mobile!

This summer we will be traveling through the Eagle community with our "mobile library" offering a large selection of books to borrow. Each week you will be able to sign out a book, and the next week you can return your book and take out another one. We look forward to providing this service as we encourage all of our students to read throughout the summer. We can not wait to see you.

Happy Reading,

Eagle Teachers and Staff
