

**River Elementary PTA Membership  
2009-2010**

Welcome to the River Elementary PTA. PTA is very involved with teachers, administrators and parent volunteers to make River Elementary the best school for our children. Your membership dues help support many fun and educational programs for River students throughout the year. Some of them are: Picture Day, Classroom Representative Tea, Scholastic Book Fair, Staff Appreciation Luncheon, Family Fun Night, Costume Dance, Sweetheart Dance, Holiday Boutiques, River Around the World, Field Day, River 5K Run and much, much more. By joining the River PTA, you are **not obligated to volunteer your time**: you are only supporting our efforts.

This year's Membership theme is, "We are the World", We are the People". You and your family will have an opportunity to have your flag placed on the county/ countries you have chosen to represent your family. A single membership will give you 1 flag and a family membership will give you 4 flags. These flags will have your family name written on them and displayed on our very large World Map. Your children will be excited to show their friends, their flags, on their country. *Help support your child's classroom by reaching its goal of 100% membership.*

**Please join today and consider a family membership. Thank you for your support!**

- If you are interested in becoming a Parent Room Representative for your child's classroom you must first become a member of the River PTA. We request that you try to attend at least 3 PTA meetings during the course of the year.**
