

Family ID Athletics Registration (www.familyid.com)

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible.

When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

All required registration forms must be submitted online through Family ID. No paper copies will be accepted, with the exception of a new physical exam form.

BEFORE YOU REGISTER:

All students must have a current physical examination dated within one year of the first date of tryouts. The physical exam form can be uploaded to the FamilyID site by scanner, or by taking a picture of both the front and back of the completed physical form and uploading it to FamilyID. The physical exam form may also be submitted to the school nurse.

*** Any student requesting a physical examination by the Patchogue-Medford school district physician must provide consent by registering through FamilyID and scheduling an appointment with the school nurse.
