The library media center is a comprehensive source of information, serving the needs of students for both the completion of assignments as well as their pursuit of individual interests.

High school library resources include:

- 50-60 online databases containing various encyclopedias, journal articles, magazine articles and more

Procedures for students using the library include:

- ◇ School I.D. card required to check out materials.
- ◇ Follow the instructions of the librarian and library aides.
- ◇ Respect the rights of others. Work quietly.
- ◇ Return books when due. Students may renew them if necessary. Additional books may not be borrowed until overdue books are returned.
- ◇ Pay for damaged and lost books.
- ◇ Ask the librarian for assistance.

Students who misuse the school library will be directed to return to class and may also be subject to further disciplinary action.
