How to Join a Zoom Meeting
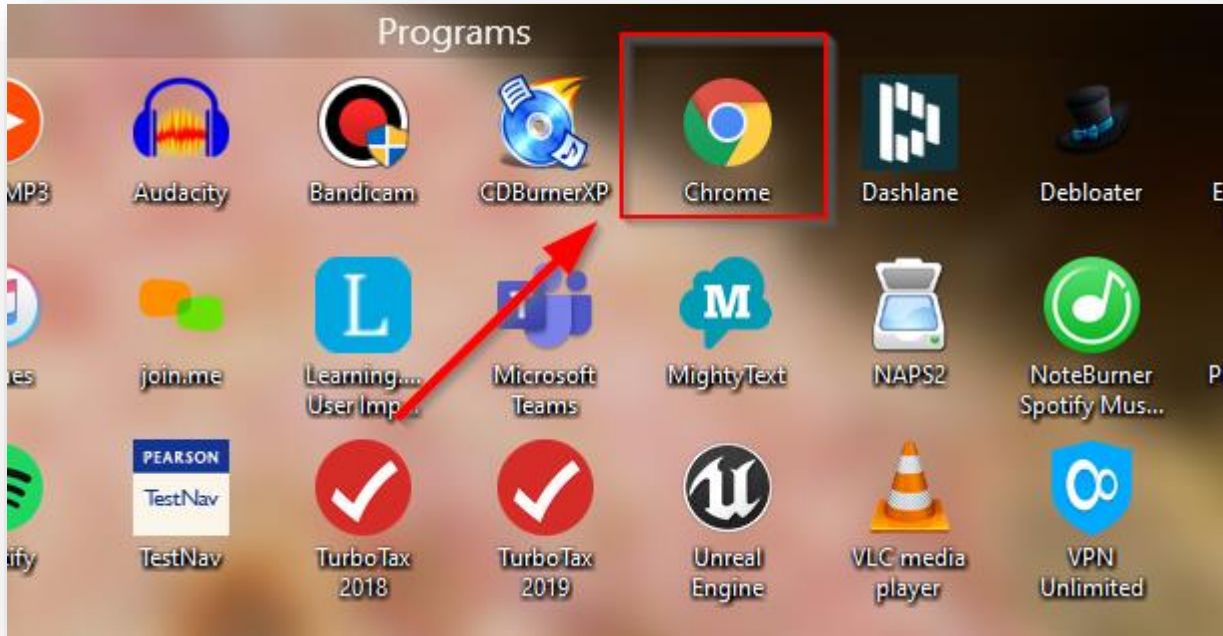

Overview

This article will discuss how to join a Zoom meeting from a web browser or an email invite.

Please Note: when joining a Zoom meeting on a computer, you will be prompted to download and install Zoom when you click a join link. We will skip installing the Zoom app for security concerns and will be joining the meeting via Google Chrome.
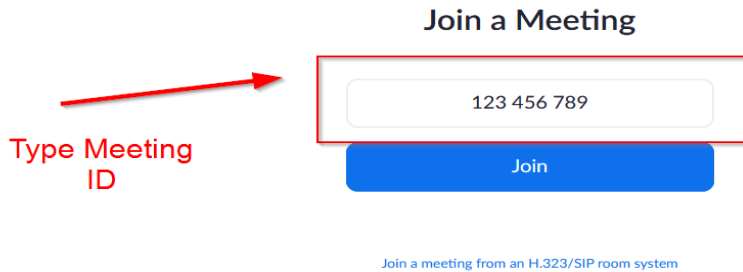

Google Chrome

1. Open Chrome.

2. Go to pmschools.zoom.us and click "Join."

3. Enter your meeting ID provided by the host/organizer and click Join
