## Guidelines for the Positive Alternative to Student Suspensions (P.A.S.S.) PROGRAM

The P.A.S.S. Program is an alternative program that is designed to assure continuity of instruction for students that are suspended out-of-school. The details are as follows:

- The P.A.S.S. Program will take place Monday thru Friday.
- Alternate instruction will be provided for the amount of days your child is suspended.
- Alternate instruction will take place between the hours of 2:30 p.m. – 4:30 p.m. at Patchogue-Medford High School in Room 109.
- Transportation will be provided. Students requiring transportation will be picked up and dropped off at their home address. Students may be dropped off by parents. (All entry for P.A.S.S. will be at the south entrance - back of building in the south parking lot near the field). **Students are prohibited from driving their personal vehicles to and from school for P.A.S.S. even if they have approval to park during the day with a vehicle.**
- Work for students assigned to P.A.S.S. will be provided by their classroom teachers directly to the P.A.S.S. teachers, but students are also asked to bring any work that they have with them each day they are in attendance.
- Students who fail to attend these alternate instruction sessions will still be responsible for missed class work and will be graded accordingly. No other instruction will be provided.
