Dear Parent/Guardian,

As previously mentioned, we would be asking parents to complete the Universal Screener parent portion which involves parents/guardians answering items about their child. This screener provides information about a student's current functioning levels. The results of the assessments will be used to guide instruction for all students. Again, this brief rating scale is not a comprehensive diagnostic measure for classification of difficulties or disorders.

All assessments can be completed online on any device you have available. Should you need any assistance completing the parent portion, whether with access to technology or walking through the instructions, please call the Patchogue-Medford Family Center at 631-687-6751. There will also be computers available at the Elementary Parent Teacher nights on 12/9 and 12/10, should you want to take it then.

1. You will receive an email from Resonant Education (be sure to check spam folder) ([noreply@resonanteducation.com](mailto:noreply@resonanteducation.com)) on the date chosen by your child(ren)'s school district (that date will be sent to you soon). **The subject line will say SSIS SEL+MH Assessment for Parents**

2. When you open the email, you will see the text below...

Dear Caroline Ingalls,

You have been asked to take an assessment about your child who attends SSIS School B. In order to take the assessment, please click on this link <https://rezed.io/1062057005>.

Querida Padres / Guardián

Como se mencionó anteriormente, les pediremos a los padres que completen la sección para padres de Universal Screener que involucra a los padres / tutores respondiendo preguntas sobre su hijo. Este evaluador proporciona información sobre los niveles de funcionamiento actuales de un estudiante. Los resultados de las evaluaciones se utilizarán para guiar la instrucción para todos los estudiantes. Nuevamente, esta breve escala de calificación no es una medida de diagnóstico integral para la clasificación de dificultades o trastornos.

Todas las evaluaciones se completan en línea en cualquier dispositivo que tenga disponible. Si necesita ayuda para completar la parte de los padres, ya sea con acceso a la tecnología o siguiendo las instrucciones, llame al Patchogue-Medford Family Center al 631-687-6751. También habrá computadoras disponibles en las noches de padres y maestros de las escuelas primaria el 9 & 10 de diciembre, en caso de que desee tomarlas en ese momento.

1. Recibirá un correo electrónico de Resonant Education (asegúrese de revisar la carpeta de correo no deseado) (noreply@resonanteducation.com) en la fecha elegida por el distrito escolar de su (s) hijo (s) (esa fecha le será enviada pronto). **La línea de asunto dirá SSIS SEL + MH Assessment for Parents**

2. Cuando abra el correo electrónico, verá el texto a continuación ...
