121 Saxton Street
Patchogue, NY, 11772

September 22, 2022

Dear Parents/Guardians:

Patchogue-Medford is committed to continuing and expanding upon the Social-Emotional supports we offer to students. Here are some important reminders, information, and dates to note:

SEL Universal Screener: We will be implementing the SSIS Universal screener for the second school year for *all* students in grades K-12, beginning October 3rd, 2022

- The universal screener provides information about a student's current functioning levels, including areas of strength and emotional behavioral concerns. This brief rating scale is not a comprehensive diagnostic measure for classification of difficulties or disorders.
 - Students will answer items about themselves in grades 3rd-12th
 - Teacher assessment: teachers will answer items about individual students in grades Pre-k through 5th
 - Parents/Guardians- we will be asking parents and guardians to complete a short rating scale about your child. You will be sent a link via email and ParentSquare to answer questions about your child beginning October 12th. **Please note you will receive the link via email directly from this address: noreply@resonanteducation.com.** Be sure to check spam folder
 - Should any parent/guardian need assistance with completing the screener (available in Spanish) or access to technology, please contact the PM Family Center at 631-687-6751
 - More information and directions for parents/guardians can be found on the district website at this link: [Health, Safety & Wellness / SSIS - Universal Screener \(pmschools.org\)](https://www.pmschools.org/Health_Safety_Wellness/SSIS-Universal_Screener)

For any questions, please contact me at ccandela@pmschools.org or 631-687-6440.

All the best,

Carolyn Candela

Director of Social Emotional Learning
