

Highlights

The Family Center took the community bus to the Patchogue-Medford Library to assist the Registration Department with school enrollment.

We continue to feed an average of 700 families every month.

Mrs. Sommer’s classroom raised almost \$800 from the sale of student created cookbooks, and all proceeds will go to the Family Center.

The Family Center will be assisting with DIAL screenings in June, 2021. DIAL is a screening used to identify Kindergarteners who need help with academic skills.
